

WORKSHOP

FBI-SOS (Safe Online Surfing) Internet Challenge

Student Safety on the Internet: Protecting Our Children from Online Dangers

The FBI-SOS (Safe Online Surfing) Challenge, in partnership with the Community Idea Stations, is a FREE educational online program that teaches children guidelines for Internet safety. The FBI-SOS Challenge addresses many of the federal, state, and local laws related to school Internet safety requirements and some of Virginia's Computer Technology Standards of Learning (SOL).

Tuesday, November 2, 2010
10:00 – 11:15 am
Community Idea Stations
23 Sesame Street
Richmond, VA 23235
